Above, Beyond and Committed (ABC) Class Year 7, 2022

The Above, Beyond and Committed class is aimed at supporting the needs of high performing students across a range of KLA's. Albion Park High School prides itself on its ongoing development of programs for the year 7 ABC class. Students are selected based on a number of aspects, as outlined below.

This class is ideal for students who:

- Have the potential to achieve high academic results.
- Demonstrate strong skills and understanding in a particular area/s such as Leadership, Sport or Creative and Performing Arts.
- Are independent learners
- Are willing to go above and beyond expectations to achieve sound academic results. In this case, students who have displayed commitment throughout their schooling will be considered should places be available.

Students do not have to meet all of the above requirements, but are expected to show strengths in one or more areas.

The identification process for the ABC class includes:

- An application form to be completed by student and parents/carers (included in this letter), to be given to the front office of Albion Park High School. **Applications close 23 April 2021. NO late applications will be accepted.**
- A student Expression of Interest Project. This will be a project completed by students at home. This will be due Week 5 Term 2.
- Parent/student interviews if there is a need – Week 10 Term 1.
- Analysis of student achievement including NAPLAN results, where students sit on the Literacy and Numeracy Progressions and their achievement of stage outcomes.
- Qualitative feedback from primary school teachers.

Your child has participated in a talk given by the ABC Coordinator, which gave students an understanding of what the purpose of the class is, who should apply and why we offer such a class. In addition to this information, an ABC brochure, which outlines the programs and opportunities offered to ABC students at Albion Park High School.
