APHS Assessment Rules

1. You are expected to sit for all Modified Tasks for your subjects. If you are sick during the assessment you must contact the school as soon as possible. Any exam that is an assessment task also requires a Medical Certificate which must be presented to the school as soon as possible. An illness and misadventure form should also be completed which can be downloaded from the Parent Sentral Portal. **Misreading your Schedule is not an excuse for missing a Task.**
2. All Tasks will be held online with the exception of Music Practical (uploaded online – Week 9).
3. You must be logged into the Zoom Meeting for your specific Task 10 minutes before the start of the Task. Your camera must be on for the duration of the exam, with clear view of yourself and the work being done. Your microphone must be active (not on mute) for the duration of the exam. To avoid unnecessary disruptions, you should turn your speakers down for the duration of the exam, but still loud enough to hear teacher instruction (timing) **You must remain in the Zoom meeting for the entire examination.**
4. You must be prepared with all equipment necessary for the Task. You must check with your teacher before the Task to determine what you will need and are permitted to use during the Task.
5. A **serious attempt** must be made for each Task or an 'N' warning may be generated.
6. **Talking or any other misbehaviour is not permitted or tolerated.** It will result in your Task being marked with, for e.g. "*talking during Task*", and can result in your Task being cancelled.
7. Ensure you have a clear workspace for the duration of the Task.
8. Mobile phones/iPods are not permitted unless being used for the purpose of the zoom meeting.

If you have any questions regarding the scheduling of exams or examination rules, please email your Year Advisor or Mr Davies.
