P & C MEETING
Monday 23 July, 2018 at 6pm

PBL

Respect, Commitment, Responsibility

Amity Mayo and Lauren Littlemore had the highest number of positive entries in the school for Weeks 6-7.

PBL Focus for the Fortnight:

Respect - for environment, putting rubbish in bins and **Commitment** - staying in school grounds at lunch and recess.

Students of the Fortnight

A big congratulations to our Shakespeare Carnival students for taking out the Regional Finals in Dance and Music. In particular a huge congratulations to our Musicians who came runner up at the State Finals at the Seymour Center in Sydney this weekend.

Congratulations goes to-

Drama - Chloe Barton, Kyra Turner, Alexis Tripp, and Penny Calvert

Music - Jordan Isaac, Nicole Horton, Maggie Flynn and Aidan Whitehall

Dance - Monique Lawer, Jazmine Silvestri, Page Bridgett, Tahlia Steele and Lily Valesini

Mrs Roth, Miss MacIver and Miss Remfry need also to be acknowledged for the time and effort they put into preparing students for the Shakespeare Carnival.

Principal's Message

Hopefully most parents would have received by now the email informing you of a major Southern Stars ticket sale scam online. Unfortunately, some parents outside of Albion Park have been caught by using the site called: Viagogo. The only site you should be purchasing tickets from is TICKETMASTER, or directly through WIN Entertainment centre. I certainly hope that none of our parents have been scammed.

Parent teacher evening is coming up early next term for Junior and support students, so please save the date Tuesday 31 July, 2018. Also subject selection evening for Year 7, 8 and 10 will be held the following week on Wednesday, 8 August, 2018. Conversations between teachers and parents are vital in gaining the very best results from young people in our care. Open lines of communication help the triangulation of information of teacher, student and parent and enable our young people to do their best.

NAIDOC week is this week and Matt Hawkins has been very busy organising some important events. There will be a touch footy match between students and staff as well as a very special tree-planting event in the Living Classroom.

Earlier in the term Albion Park High School won a significant state award NANGA MAI, for community partnerships, the money that was awarded us, has been used to purchase indigenous plants.

I very much look forward to this significant event, the living classroom is looking magnificent, especially with all of the rain and is even attracting endangered species of bird.

Industrial Technology

Year 12 Timber

There are a couple of weeks to go before the current Year 12 Timber class hand in their Major Projects and Folio for marking. This is a celebration of their hard work over the year. Projects range from book cases and wine racks to coffee tables. Well done on your hard work Year 12 and let's make the most of the time remaining.

Teacher – Mr Carters

Year 11 Timber

The Year 11 Industrial Technology Timber class has made a cracking start to 2018, with the completion of some high-quality jewellery boxes. A variety of timbers were used with the theme being Australian grown Tassie Oak, Western Australian Jarrah and Western Red Cedar being the timbers of choice.

Teacher – Mr Davies

Year 10 Timber

The Year 10 timber class have finished their chopping boards and are almost finished with the step ladder. During their theory lessons, they have also been designing their coffee tables and will start them next term. Some of their designs look very promising.

Teacher – Mr Morgan

Year 9 Timber

The Year 9 Industrial Technology Timber class have just about completed their DVD cabinets and are currently working on two new projects; the turned bowl and docking/recharge station. Finally they will put to good use their turning skills to manufacture an elegant turned pen.

Teacher – Mr Carters

Year 8

Technology Mandatory - Lamps

Our unit of recycled materials has been a real hit with students finding new uses for items they would normally throw away or recycle. From old glass bottles, hand made fabric lamps to tin cans, the students have designed small desktop lamps that are both functional and funky. Well done on some outstanding design work.

Teacher – I.A Staff

Support School Transport and the NDIS

The Australian Government has released a discussion paper about 'Supported School Transport and the National Disability Insurance Scheme' on their website

<https://engage.dss.gov.au>

As the National Disability Insurance Scheme (NDIS) is rolled out across Australia, this paper asks for your feedback on how supported school transport could work under the NDIS.

This is your opportunity to have your say via a submission on how you would like to see supported school transport operate in our State. The consultation period will end on 20 July at 5pm. There will be some face-to-face consultations held throughout the State, full details will be updated on their website when they are available.

For any further information about the discussion paper or submission you can email

transport@dss.gov.au
